HEIMDALL

£29.99

Norse legend tells of a time when the Gods of Valhalla and Asgard created a race known as the Vikings. At first the Gods loved their children and contact between the two was frequent. As time passed the Gods lost interest in their creations and visits across the Rainbow Bridge ceased.

Frey, one of the oldest and wisest Gods, foresaw that they would one day have need of the Vikings so he visited the leader and told him that in centuries time a great warrior would be born amongst them to lead his people in a mission of great importance, representing the Vikings at the Battle of Ragnarok.

The warrior that legend speaks of will be known as ... HEIMDALL

Battle Chess™

£29.99

The most challenging game on earth comes to life in Battle Chess. An entire medieval world at war is reflected on the checkered field.

Everyone who's ever had a knight take a pawn has seen that capture as more than one piece replacing another on the board. In players' minds, the bold knight, resplendent in his armour of silver or ebon, sallies forth and slays the foul footsoldier. Combat, mortal combat, is the heart and soul of chess, but this aspect of it can only live in the mind's eye... until now!

Lots of computer chess games capture the basics of chess. Only Battle Chess brings chess to life by combining a magnificent chess logic system with colourful, humorous, and dramatic three-dimensional animations.
